The next meeting of the CIA Traffic Advisory Committee will be held on 21 February at 6:30 p.m. at the McLean Community Center.

Enclosed is a copy of Technical Memorandum No. 2 which contains a series of alternative designs for road improvements. The purpose of the Committee meeting will be to select the alternatives to be subjected to further study and analysis by Dewberry and Davis.

It is requested that each Committee member bring to the meeting a preliminary ranking of the alternatives for the purpose of focusing group discussion.

Sincerely,

Chairman
CIA Traffic Advisory Committee
